## SEPTEMBER 2016

### **COMMANDER'S WORDS**

August has been an interesting month for the Juvats. Our jets were delayed a week getting to Singapore but we are now settled in and fighting the good fight (Dissimilar BFM and ACM). We also saw Tripple, Posit, Thrash, and Blade leave the ROK.

For everyone's awareness, the fighter porch published the expected assignments for Spring 2017. No major changes in the state of the Viper. Limited moves from one ops base to another and a slight increase in assignments to Holloman and Luke likely. Expect to still see a mix of other Viper assignments as well (aggressor, test, exchange).
